## Don't Miss August Program

**By Vic Donnell**

Plan now to attend the next meeting of the Cen-Tex Tin Lizzies. Vic will present the first of two or three program segments under the title of Safe Trailering Tips. Trailering our cars can be an extremely dangerous activity. Vic can attest to this fact from first hand experience and he has prepared presentations to help us understand the risks we are taking and some of the methods for reducing those risks

### MINUTES OF THE JULY 2015 CEN-TEX TIN LIZZIES MEETING

The regular monthly meeting of the Cen-Tex Tin Lizzies was called to order at 7 pm by President, John Anderson on July 21, 2015. There were 21 members and no guests present.

## Words of Wisdom from the John

I have found out the hard way what it's like to get too busy! Last week the T Fords of Texas hosted a tour of the Missions of San Antonio. This is something I have wanted to do forever! Unfortunately I was committed to be in Oklahoma at a family event.

Robert Norberg and his dad were not too busy and they had a great time. Rob's dad even got a big kiss from Beverly Luce at the end of the tour.

If you haven't registered for this year's T Party, then it's too late. Registration ended at the end of July.

Don't forget about the Model T Show in San Antonio on September 12th!

*John*
