## The Model T Tour that was not to be!

By Joe Pinnelli

Saturday morning November 7th, in Martindale it was 58 degrees, overcast, drizzling with a 15 to 20 mile per hour breeze out of the north.

With a heavy heart, Carlton and I hung around downtown Martindale to make sure no hearty club member would defy the cancellation just for the hell of it.

As sad as it was to cancel, it was a good decision.

Deciding that our heavy heart had generated a great appetite, Carlton and I struck out in our modern vehicle to check out the Fly-In and give moral support to our friends there. But first, a brief stop at City Market in Lulling for a little BBQ. Ribs, brisket, links. Exquisite.

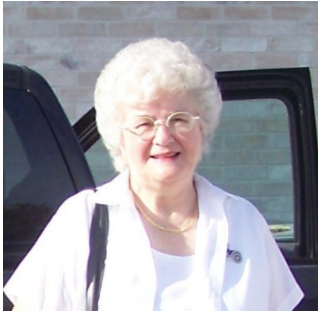

Then, on to the Fly-In. By noon most of the drizzle had stopped. It was now 60 degrees, overcast with the north breeze. Still not ideal weather for a T tour.

Our friends at the Fly-In were excited to see us. They had gone all out. Their preparations were better than ever. Their spirits were undaunted.

There were about 50 revelers, eating cheeseburgers, taking T rides and seeing all the volunteers in their period dress.

The women at the Kingsbury Cafe were also disappointed. Alas. Until next year.

## Minutes of the October Meeting

### By Secretary Joyce Shierlow

On Oct. 20, 2015 President John Anderson called the regular monthly meeting of the Cen-Tex Tin Lizzies to order at 7 pm. There were 19 members and no guests present.

Cynthia Hadorn reported that no one had called to notify her of anyone being sick or deceased since last meeting.

Carolyn Spillers said that there were no new members to report.

John asked if anyone knew of any additions or corrections to the Minutes of the last month's meeting as printed in the BAND CHATTER. There were two corrections, and the minutes for last month will be amended with the corrections as given. Andy Fish made a motion to accept the Minutes as printed and with the corrections noted and Randy Brown seconded the motion. Motion carried.

Jan Donnell gave the Treasurer's report and said there was a sufficient bank balance. Since the report was accepted with no errors mentioned, Tom Romberg made a motion to accept the report as given and Bob Ross seconded the motion. Motion carried.

John Anderson gave a report on the recent T Party in Uvalde, TX. and several others that had also attended, added other highlights as well. In all, everyone attending seemed to have a very enjoyable time.

George Brunner gave the report from the Nominating Committee stating that the committee selections were:

President: Steve Hadorn

Board of Directors: Juan Barraza

Vice President: Robert Norberg

John Anderson

Secretary: Joyce Shierlow

Still in office: J.C. Carter

Treasurer: Jan Donnell

George Brunner

Vic Donnell

Voting will take place at the next club meeting on Nov. 17, 2015.

Show & Tell: Randy Brown had photos of Vintage Fords

George Brunner had a book of Specs for numerous autos, not just T's.

J. C. Carter had a trophy from the Hot Rod group, Gear Heads.

George Brunner won the prize for best Show & Tell.

Calendar: November 7th is the Kingsbury Fly-In and Joe Pinnelli said that the lunch will be \$12 per person.

December 5th is the Christmas Party at the Texas Land and Cattle with the Treadwell's hosting. Meal will be \$16.99.

Tom Romberg brought the REFRESHMENTS that we enjoyed during the break.

The 50/50 Drawing was held with Joe Pinnelli winning \$26 which he donated back to the club.

Vic Donnell gave the Program for the evening, entitled: Trailing: Part III.

At 9:30 pm the meeting was adjourned.

## Words of Wisdom from the John

This is the last meeting of the year.  
Where did the time go?

I hated to have to cancel the Kingsbury Fly In tour. It is my favorite tour of the year. The vintage aircraft, the other antique vehicles and friends we haven't seen in a while, not to mention the great chicken fried steaks at the Kingsbury Café

I congratulate next year's officers and I am glad they volunteered to serve. I know it will be a fun year next year

Thanks to everyone who contributed to make 2015 such an interesting year. It is a lot easier when everyone pitches in

My only hope is that the weather settles down and doesn't disrupt our tour plans so much

*John*
