## CenTex Tin Lizzie Members

We have an interesting program presented by the two owners, Maury Domengeaux and Steve Schlosareck that are rebuilding the stand alone building in Martindale that was once a Hupmobile dealership. It is across the street next to the vacant lot. It should be enlightening. You will want to hear it.

Well, for those of you that missed it, the Johnson City Tour was a good one. The weather was beautiful, a coat needed at first and then peeled layers as the day went on. Steve's cinnamon rolls were something else! Joyce Shierlow accompanied Peggy and me. Her stories of tours in her past indicate how we are small pikers compared to their trips to Tennessee, north Texas, and other places, actually driving there in Model T's. Seeing Steve and Cathie's home was fun. Seeing Steve's "stuff" and projects was great, cars, boats, and other toys.

The roads were all paved, devoid of traffic, interesting country.

The pace was "just right" for Bill Stephen's TT, plus the other cars, Steve's Touring, my Touring, Randy's Coupe, Jeff's enclosed, Steve's friend's old truck, and Wayne's open early T. The touring etiquette was well adhered to and Cathie followed to see that we all made the turns. We had no breakdowns.

Lunch in Johnson City was prompt, good, and in the back area where we were all together.

The motorcycle museum was quite nice and interesting. We drove a total of 59 miles quite pleasantly.

Thank you Steve and Cathie for putting it on.

Our November meeting is coming soon, Nov. 15 at the Catfish Parlor. We will receive the nominating committee report, hear car stories, and enjoy each other's company.

Alex Gillman is going to be on leave in late December. Perhaps we could set up a lunch get together to have the opportunity to visit with him and catch up.

The Christmas party plans are now set. We will go to Martindale we were before, gather at 11:00, Dec.10. Thanks Carlton. Britanie Olvera is in charge aided by Joe Pinnelli. Thank you both.

If you have not paid your annual dues, please do so by bringing the money to the meeting or sending it to Jan, \$ 15.00.

My Model A is still off at Ross's for engine refresh. The latest news is a crack in the block so a different one is being researched. The 21 T threw a crank pulley pin at the end of the Johnson City tour but had no ill effects. I made another and cotter keyed it in. A new to me enclosed trailer is in my driveway which portends some interesting opportunities in the future.

It was fun to see Rob and Juan at the October meeting.

I look forward to seeing you Tuesday evening Nov. 15.

Tom Romberg  
President

Howdy,

The October 22 mini tour from our home in Spicewood update.

We were blessed with great weather and cars that were ready for some back road adventure. Back roads traveled were paved, hills, valleys, low water crossings, cattle guards, and a whole lot of nothing except beautiful scenery and grand vistas!

Thank you all who were able to attend and share some model T fellowship.

We met around 9 am in Spicewood, coffee, cinnamon rolls were served. We departed our home using back roads to Johnson City, TX ( about 4 mile of Hwy 281 ). Lunch at Pecan street Brewery ( great food )followed by Texas Vintage Motorcycle Museum in Jonson City Texas (

great museum). We then departed for our home in Spicewood using back roads ( 5 miles of 281 ). All cars performed great.

Thank you all who were able to attend it was amazing to see everyone and share a great visit!

Long distance winner was Mr. Wayne Mims. Mr. Mims drove from his home in Cedar Park to Spicewood, then toured and drove home! ( I love it )

Thank you All

Steve and Cathie Witt.

PS I have another great trip, for when everyone is ready with new back roads for more adventure.
